

College Student - Out of State

Please forward the summons to the summoned juror and have them fill out the [questionnaires](#) on-line. In order to fill out the questionnaires on-line they will need their nine (9) digit juror participant number which is located on the front of the summons.

Students attending college out of state whom will not be returning to Idaho within a one (1) year period may be excused. If the student plans on returning to Idaho for the summer, etc., we will postpone their jury service. The court's [postponement policy](#) applies.
