If the voucher is for an interpreter/translator, it is electronically submitted to the expert. If other than an interpreter/translator, the voucher will appear in edit mode on the attorney's home page. We have various investigators that also complete their own vouchers.

Once the expert completes the voucher, he/she will hit submit. The voucher is then submitted to the attorney for their final review before the attorney submits to the court for review. If the attorney is creating and submitting the voucher on behalf of their expert, you will submit once for the expert and then once again for the attorney to submit to the court.
